Professor of Mathematics  
UCR

Patrick Brown Ph.D  
Program Director  
NIGMS, NIH

Byron Ford Ph.D  
Professor of Biomedical  
Sciences  
UCR

Yinsheng Wang Ph.D  
Professor Chemistry  
UCR

Thursday December 17<sup>th</sup> 2-3:30pm

Interested in support for graduate students?

Thinking of writing a training grant but not sure what, how or when?

Join this workshop and listen to experts from the NIH and UCR on programs available, how and when to write and tips and tricks.

Please register: <https://connect.ucr.edu/register/traininggrant>

As a reminder there is new support available to UCR faculty interested in writing these grants – including administrative help and graduate student support. Deadline to apply for this new TGPPF is January 31<sup>st</sup> 2021. <https://form.jotform.com/200544506539959>
