## CONTROLLERS

Subject: SB 447 Rescinds Use of State Funds Travel Prohibition

Governor Newsom signed [SB 447](#) which ends the ban on state funded travel to any of the 24 states that had enacted anti-LGBTQ+ legislation and were listed on the California Attorney Generals website. The bill was signed September 13<sup>th</sup> and takes effect immediately, which means that *all travel restrictions* to those 24 states on the banned list have been now completely lifted.

Business and Finance Bulletin G-28, *Travel Regulations*, will be revised to remove the AB 1887 language that had previously prohibited travel to the states listed on the California Attorney General's website. [REDACTED]
