Dear UCR Faculty,

Exciting news! The Office of the Registrar, in conjunction with the UCR colleges and Information Technology Services (ITS), is launching a new comprehensive Student Forms portal.

We will launch the Enrollment Adjustment Form (EAF) for undergraduate students in the new Student Forms portal next Saturday, October 11. The form will be used strictly for Fall 2025 requests at this time.

This and future forms will follow defined routing logic for required actions and, when applicable, can be automated to update in Banner. This will include direct engagement from you with the system for approvals, when appropriate.

Additional information about form functionality, plus handy guides and info sheets, will be distributed to faculty, staff and students beginning next week. If you have any questions, please contact the Office of the Registrar at reghelpdesk@ucr.edu.

We look forward to working with you as we continue to bring new forms online throughout the year!

Sincerely,

UCR Office of the Registrar
