EXECUTIVE VICE CHANCELLORS/PROVOSTS

Dear Executive Vice Chancellors and Provosts:

I am pleased to share that the job posting for the **Associate Vice Provost, UC Center Sacramento** is now [live](#)! This is an internal UC Senate faculty-only search. We would like to enlist your help in spreading the word about this new leadership opportunity and sharing the [listing](#) widely with all your Senate Faculty.

Starting later this summer, the UC Center Sacramento and the UC Student Policy Center will be led by two seasoned leaders: an Associate Vice Provost and an Executive Director. The Associate Vice Provost will manage and expand the UCCS academic program, while the Executive Director will focus on high-profile public programming and outreach, enhancing the visibility and impact of UC's research and policy leadership in Sacramento. Both will work closely under my direction and that of UC Davis Provost and Executive Vice Chancellor Mary Croughan, ensuring our initiatives remain a priority for lawmakers and key stakeholders.

Please share the posting in your Senate Faculty List serv with a reminder sent before the **first review deadline of May 25**.

Thank you for your leadership and partnership.

Best wishes,

A handwritten signature in cursive script that reads "Katherine S. Newman".
